Hispanic/Latina Women in Medicine: Critical Needs for Empowerment and Transformation in Practice 2024

September 13-15, 2024

Name, Credentials: Ana C. Zamora Martinez, MD

Title: Assistant Professor of Medicine

Company/Hospital: Mayo Clinic Arizona

Specialties: Pulmonary/Critical Medicine and Interstitial Lung Disease Specialist

Born and raised in Mexico, Dr. Zamora-Martinez received her medical degree from the Universidad Autónoma de Nuevo León in Monterrey Mexico. She completed postdoctoral training in interstitial lung disease at the University of California, San Francisco (UCSF).

After relocating to the United States, she completed her residency in internal medicine at the Texas Tech University Health Science Center at El Paso and her fellowship in pulmonary disease and critical care medicine at the Mayo Clinic College of Medicine and Science Rochester MN.

She is the Medical Director of the Interstitial Lung Disease (ILD) Clinic at the Mayo Clinic Arizona, where she treats patients with, among other conditions, idiopathic pulmonary fibrosis, familiar pulmonary fibrosis, short telomere biology, collagen vascular disease associated ILD, and diffuse cystic lung diseases.

She is the co-director of the autoimmune ILD Clinic, where she collaborates with rheumatologists to diagnose and manage patients with this condition in real time.
